Dear Mr Jethmal

LETTER OF APPRECIATION

Thank you for conducting the "Action Research Staff Workshop" for Ang Mo Kio Secondary School on 30 and 31 May 2011.

The one-and-a-half day workshop has offered us greater clarity of the process involved in action research. The staff has acquired the basic knowledge on the quantitative and qualitative approaches to the design and implementation of school-based research using action research tools. With the practical tips and tools shared during the workshop, the staff can now embark on their action research journey with confidence.

The staff has enjoyed the workshop and has gained new insights from the many authentic examples and sharing generated by the participants through your facilitation. We have enriched ourselves during the workshop and we look forward to other courses conducted by your company.

Yours Sincerely
