Letter of Appreciation

We would like to express our heartfelt thanks to you for conducting the 2 days of "I CAN" workshop for our teachers on 14th and 15th March 2011.

We have received positive feedback from the teachers about the way you conducted the workshop and delivered the content. In particular, we were very pleased with your sharing on how we should teach the 7 Habits so that the lessons could be meaningful to our students.

We thank you for sharing with us many useful teaching resources and helping us achieve the objectives of the workshop.

Thank you.

Yours Sincerely,

Thomas Wan
